Ms. Woollen,

I hope this email finds you and yours well.

Would you please confirm that you received collaborative correspondence we previously email you and can you confirm that the correspondence was received by the BRC?

I also want to let you know that the City Council is going to send an additional letter to the BRC tomorrow requesting that the BRC consider holding a meeting/hearing in Red Wing so regionally located communities are afforded an opportunity to add to the record. I will email this correspondence to you also.

Thank you for your assistance.
